State Representative Candidate
Letter of Commitment

In order to fulfill the obligations and responsibilities of an OASC State Representative, an individual must have the time and be willing to schedule all OASC activities on a *priority* basis.

The purpose of this page is to finalize and document your commitment and dedication to the position should you be elected. We ask that you give this thoughtful and realistic consideration. If you choose to run, we need you to be committed!

We realize that you have other responsibilities and obligations. We do not expect you to have to set those aside. We simply need for you to make sure that OASC can be woven into your schedule and be held as a priority item. You must speak with your coaches, directors, etc. and make certain they will be supportive if an OASC event requires that you miss a practice, game, etc.

Please use the included page to list your activities and anything that could cause conflicts. As you seek the signatures of your student council advisor, principal, and parents, use this list and include them in your decision making process. The more proactive you are, the less likely you will encounter difficult situations if you are elected.
