

OASL Middle Level Summer Workshop Information Packet

Welcome to OASL Summer Workshop!

On behalf of the entire OASL workshop staff, we are excited that you have chosen to attend a Summer Leadership Workshop! We are looking forward to making this year the BEST. WEEK. EVER! Please read the following information to prepare for Workshop, and please visit www.oasl-oh.org for more information. We can't wait to learn and grow with you!

We are THRILLED that OASL is able to host our workshops on site, but safety will remain a primary concern for all of us. Extensive preparations are being made to ensure that we have the best experience possible ready for you upon your arrival. We will continue to monitor the pandemic situation across the state and with our partners at Capital University. OASL will follow both university and state recommendations and guidelines for in-person programs. Signed waivers and mandatory protocols (including proof of vaccination or a negative COVID test) will be required and are included in our digital forms packet. You will receive a final confirmation e-mail 1 week prior to your arrival date. That will include important information about drop-off/pick-up locations. The best way to reach OASL is via e-mail or at the number below if you have any questions about registration.

Extensive preparations are being made to ensure that we have the best program possible ready for you upon your arrival. But, no program, no staff member, and no facility will be what makes this a great experience for you. Ultimately, you are the key to guaranteeing that you will get everything from the workshop that is intended. We hope you will come to workshop with a desire and the spirit to learn, to try new things, and to share your talents, ideas, and feelings with others. If you do that, we promise you will leave with more information than you ever thought you could remember, with more new friends than you thought you could make, and with a feeling that you can make a positive difference in your school, community, and in the lives of the people you know.

Please make sure to read through all of the information on these pages very carefully. Also, you must complete the [Summer Workshop Digital Forms](#), which includes COVID protocols, waivers, health information, assumption of risk, photo release forms and student guidelines. We will not be able to check the student in on campus until the digital form is completed.

We look forward to seeing you soon!

In the OASL Spirit,

Connie Miley

We intentionally house students in a room with someone from another school. We do not make exceptions to this policy. We recognize that students may feel unsure at first, but interacting with others is central to our workshop objectives. Meals/Food

- All of your meals are provided, beginning with dinner on Wednesday evening through breakfast on Sunday morning.
- There are snack and beverage machines in the residence hall, so you might want to have some change on hand.
- Please do not bring snacks that contain nuts as we are in close quarters with others who may have allergies.
